It is requested that each volunteer contribute a minimum of 16 hours, but also be flexible to meet the needs of the committee before, during and after the event. Admission Sales

Volunteers on this committee will be responsible for distributing Junior Tickets from a station at the Main Entrance Gate.

Ecology

Work in coordination with a contracted refuse company to help keep the site trash-free. Although monitoring the timely clean up of trash receptacles and litter will be the main responsibility of this committee, some trash collection may be required.

Contestant Evacuation

This committee will use cars to transport players off the course and to the clubhouse in the event of foul weather.

Marshals

Marshals maintain gallery control and ease the flow of movement for players, caddies, officials and members of the media.

Transportation

Transport players, officials and VIPs to and from the golf course, the airport and the official hotels. Drivers will also be needed prior to Championship Week to deploy courtesy vehicles for VIPs, and following the event, for car return.

Standard Bearer - Adults

Junior volunteers will be asked to fill the Standard Bearer positions (a standard resembles a small scoreboard and is carried by a Standard Bearer with each group of players). Adult supervision will make the operations of this committee run smoothly.

Distribution

Pairing Sheets will be delivered to Valhalla and will require distribution to all entrance gates, pairing sheet boxes, the Clubhouse, etc. each morning before the start of play. Periodic stock checks of all locations will be made by this committee throughout the day.

Tech Check

Tech Check is a holding area for any technology items not allowed on site, e.g. cell phones, pagers, etc.

If your preferred committees are already filled, would you be willing to work on a committee selected for you?
